ADELAIDE'S PREMIER GIN DEN

GIN BIBLE

@thehowlingowlcafe

Thanks for visiting Adelaide's first gin bar, where you can discover over 230+ varieties of small batch gin from around the globe. Each gin at The Howling Owl is lovingly prepared for you and served with a seasonal garnish and premium mixer.

We're a local family business and we love to support producers and suppliers with similar values. In line with our commitment to sourcing seasonally and locally where possible, we may not always have the garnish listed in our Gin Bible, but our specialist team will always be able to recommend an alternative.

Not sure which gin to try? Why not order a gin flight?
Ask our team for more information.

And if you're looking for the perfect place to host your next event, we'd be delighted to chat about exclusive hire of either our mezzanine bar with balcony or our ground floor event space.

We acknowledge that the land we enjoy working on is the traditional lands for the Kurna people and we deeply respect their spiritual relationship to their country.

We also acknowledge the Kurna people as the custodians of the Adelaide Plains and respect and value their cultural beliefs further to their past, present and ongoing connection to the land.
